## **Mind and Body Consortium Receives 2016 Best of Dover Award**

Dover Award Program Honors the Achievement

DOVER February 18, 2016 -- Mind and Body Consortium has been selected for the 2016 Best of Dover Award in the Psychiatry & Mental Health category by the Dover Award Program.

Each year, the Dover Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Dover area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2016 Dover Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Dover Award Program and data provided by third parties.

### About Dover Award Program

The Dover Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Dover area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.

The Dover Award Program was established to recognize the best of local businesses in our community. Our organization works exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. Our mission is to recognize the small business community's contributions to the U.S. economy.

**FOR IMMEDIATE RELEASE:**

**The Mind & Body Consortium LLC receives 2013 Delaware Excellence Award**

April 18th 2014 - The Mind & Body Consortium LLC has been selected for the 2013 Delaware Excellence Award amongst all its peers and competitors by the US Trade & Commerce Institute (USTCI).

Each year the USTCI conducts business surveys and industry research to identify companies that have achieved demonstrable success in their local business environment and industry category. They are recognized as having enhanced the commitment and contribution of small businesses through service to their customers and community. Small businesses of this caliber enhance the consumer driven stature that Delaware is renowned for.

The Mind & Body Consortium LLC has consistently demonstrated a high regard for upholding business ethics and company values. This recognition by USTCI marks a significant achievement as an emerging leader within various competitors and is setting benchmarks that the industry should follow.

As part of the industry research and business surveys, various sources of information were gathered and analyzed to choose the selected companies in each category. This research is part of an exhaustive process that encapsulates a year long immersion in the business climate of Delaware.
